

SENIOR CITIZEN LUNCHEON CLUB

A warm welcome awaits all our local senior citizens to Howard Lodge Care Centre

Our luncheon club brings the senior citizens of our community together to enjoy a nutritious hot meal and gives them a chance to socialise with friends and make new ones at the same time, whilst enjoying the entertainment on offer.

We provide refreshments along with tea/coffee throughout the event and a beautifully cooked nutritious *two course lunch plus a glass of wine* of your choice, if you wish at very reasonable price of **£5**.

There will be a transportation service to the venue and back to your front door. The cost of this service is *50p a mile*.
all subject to availability!

We are so happy to announce that our luncheon club will be back, commencing in January 2022. This will take place every month on the second Wednesday of each month.

Our first luncheon event
12th January 2022

From 11am until 2pm

Come along and enjoy the time with us, to book a place, please contact Lauren at Howard Lodge
